

Reinforce Activity: Research Job Listings

Name: _____ Class: _____ Date: _____

Instructions:

Select three job listings for your career field of choice (or that interests you.) Answer the following questions about each job listing.

JOB LISTING #1:

What is the job title?

Where is the job located?

What level are these positions? (i.e. entry-level, management, etc.)

What is the salary range for the three listings (if available)?

What is the lowest level of education required between the three listings?

List 3 skills that all your selected listing all require:

What is the website or source for the job listing? (i.e. Monster.com, LinkedIn.com, etc.)

What is the required method for applying for the job? (i.e. email resume, apply online, etc.)
